I am so excited that you and your child(ren) have come to participate in this **55th** year celebration of SWIM WITH PRIM! We're going to have some fun and learn some new skills in the process. Since I am a certified Red Cross WSI, and an I. T. (Instructor Trainer), I stress safety, which means safety skills will be practiced at every level.

I \_\_\_\_\_ hereby release Jessie Prim, other instructors, and the pool owner for any personal injury incurred in or around the pool site before, during, or after swim lessons. I know that the instructors will take all precautions for the safety of my child. I will not hold SWIM WITH PRIM responsible if my child gets sick.

**The cost of each lesson will be:** \$115.00 for the first child  
 \$110.00 for additional family members  
 \$70 for 4 day session in July (NO discounts)  
 \$\_\_\_\_\_ for private lessons

**\*Note: If paying by check please make check out to: "Jessie Prim"**  
**If paying by Zelle please use: jswimprim@live.com, Jessie Prim**

Please call if your child will be absent. Due to a tight schedule, we will NOT be able to make-up any missed classes.

Each session is comprised of 8 classes with the exception of the one week session in June, which will be 4 classes, weather permitting or any other arrangements made. The classes with the exception of the Preschool Levels and Level 1 and 2 are 40 minutes.

After dropping off your child please remain **outside the gate**, with the exception of Water Babies class, to avoid distracting the children. There will be viewing days, usually the last two days of class. Children are to come relatively clean with appropriate swimwear on, including shoes or flip flops to protect their feet out and around the pool. Girls with long hair are required to wear it pulled back in order to avoid hindrance to their swimming. It is recommended that girls wear one piece suits. Please be prompt in picking your child(ren) up.

\*We look forward to working with your child(ren) this year!
